Dr Ismail sir. Your moodle page is awesome👍. Perfect in every way. Easy to navigate... Assignment instructions, study materials, links to other materials.... All there. But even better, perfectly laid out. Maybe you should share your approach with other lecturers during staff meeting or something... Anywho, I just wanted to say... well done Sir😊

You

Dats what I do. Make people happy.

Thank you sir for your efforts in loading so much helpful material on moodle...going through everything makes things a bit easier during this really difficult time. 💔
